---

#### TOP 50 NORTHWEST WINES OF 2013

##### *The Seattle Times*

This unusual blend of syrah, malbec and grenache is loaded with aromas and flavors of dark, jammy fruit. It's an easygoing red.

#### RECOMMENDED RHÔNE-STYLE RED

##### *Wine Spectator*

"Washington state produces some of the most distinctive Rhône-style red wines in the country. This wine has a fresh, vivid style, offering blackberry and rare roast beef flavors on a lean, lithe frame. Syrah, Malbec and Grenache."

-Harvey Steiman
