TASTING NOTE

Deep and voluptuous with rich currants, raspberry, anise and cedar, full bodied flavor finishes with well balanced tannins.

ABOUT THE VINEYARDS

Located along the broadest stretch of the Columbia River, our vineyards enjoy a wonderful climate, with warm days and cool nights yielding high quality grapes. The slope of shallow, low nutrients sandy loam soils over volcanic rock yields grape clusters and berries that are small and very concentrated in flavor and color. The result is our most concentrated and complex Cabernet Sauvignon, amplifying the unique personality of Canoe Ridge Vineyard. This Cabernet Sauvignon is comprised primarily of grapes grown in Block 1, one of the three oldest Cabernet Sauvignon blocks.

ABOUT THE VINTAGE

The 2014 Washington State harvest proved to be spectacular with a record crop level and excellent quality. All factors needed for success came together perfectly: cool nights, lots of warm weather in the growing season, and rain limited mostly to the shoulder seasons. Harvest started the third week of August and wrapped in the second week of November. The crop across the state was heavy, yet bountiful with quality. Our vineyard team enjoyed weather that enabled them to pick at will, affording perfect flavor, acidity and sugar levels.
